## MEET EGYPT'S FIRST SPECIALTY COFFEE ROASTER

Dancing Bean Espresso was birthed from the "land down under" and made its debut in Egypt in 2012 under the leadership of Joseph Hannah and Johanna Freeman. The goal was simple...provide the freshest, all-natural, highest-quality Arabica coffee available. That guiding principle is one we continue to live by today, and along with our company values, is the primary reason for our continued growth and success.

From specialty coffee blends to scrumptious add-ins and everything in between, come discover for yourself what makes Dancing Bean so unique!
